DECEMBER 4, 1958

Vol. 3, No. 47.

A. Playford, Editor,
Drayton Valley, Alberta.

CHAMBER OF COMMERCE MEETS IN CARDIUM ROOM.

On Monday, December 1st, at 9.15, after the stores closed, the Drayton Valley Chamber of Commerce met for their regular monthly meeting with a good attendance of businessmen and Chamber members on hand for the occasion.

In the chair was newly elected president, Ozzie Williamson. During the course of the meeting a vote of thanks was extended to the committee which had been in charge of the Bridge Dedication ceremony and program. Some of the Chamber members voiced the opinion that the whole proceedings during the time of the Bridge Dedication and the banquet which followed, had progressed very smoothly.

A vote was taken of the merchants present as to their wish for the time of closing, during the Christmas season and the group voted to remain open till nine o'clock every evening, starting on Monday, December 15th, until Tuesday, December 23rd, and to close at 6.00 p.m. on Christmas Eve.

Motion was effected to establish an Industrial Development Committee in the Chamber of Commerce immediately after the first of the year. Such a committee is already set up in the Drayton Valley Town Council, under the name of Public Relations Committee.

RECREATION BOARD MEETS.

The Recreation Board of Drayton Valley held their meeting December 3, in the Town Council chambers, with members of the Senior Hockey Club; also present were a delegation from the Order of Royal Purple inquiring into the age limits on the skating rink. There are no age limits for skating. It is proposed to sell family memberships at \$7.50 for the season, or \$1.50 for single memberships. New lights have been installed and the rink and the Slks have agreed to get the rink ready for use.

Once again the Board would like to express their appreciation to the Lions Club for their excellent job of construction on the hockey rink. The Senior Hockey Club is giving further consideration to a proposal to the effect that they take over the operation of the hockey rink, subject to the approval of the Recreation Board.

A temporary green light was given the Craft Guild for the use of the upstairs room in the Recreation Building Wednesday and Thursday evenings, until this can be definitely confirmed. A full report will be given next week.

The Town Council, acting on the advice of their engineers, ruled that the sound at the Reservoir (next column)

RECREATION BOARD MEETS (continued)

cannot be used as a slide. The Teen-Age problem was brought up by members of the Royal Purple and it appears interest is brewing again. We hope something will develop. No further meetings are planned until after the first of the New Year.

BOXING ASSOCIATION FORMED.

On Tuesday, December 2nd, a group met together to discuss the formation of a boxing club. As a result of the meeting the Pambina Boxing Association was formed.

Heading the group as president is Gordon Cross who has had quite a bit experience in boxing. Clubs in Ponoka and Wetskiwin. Mr. Cross has also done considerable amount of boxing in amateur leagues.

Secretary-Treasurer of the newly formed organization is Constable Al. Miles. Directors named were Eldon Herbert, Don Booker, Howard Hanson, Art Playford, Alfred Cross and Don Compton, with others to be added later as the club gets underway. The boxing association group will be sponsored by the Drayton Valley Canadian Legion.

On Tuesday, December 7th, an open meeting for the purpose of organizing the amateur boxing club will be held in the Anglican Parish Hall at 8.00 p.m.

The meeting will be open to all those who are interested in forming the boxing club in Drayton Valley. Memberships will be accepted and membership cards will be issued at the night of the meeting. It is known that there are quite a number in this area who have had considerable experience in boxing, and there is at least one who has fought in Golden Gloves competition. It is expected that a group will be formed to take care of senior high school boys and also a group for junior high school lads.

COLORED LIGHTS STRUNG IN DOWNTOWN DRAYTON VALLEY.

Drayton Valley began to take on a Yule-tide look as colored lights were strung across the main downtown streets.

The lights were assembled by the Town crew, under the supervision of the local Calgary Power men, with materials supplied by the Town. The lights were then erected by the Calgary Power crew.

Several of the stores have added to the Christmas appearance with outside lighting.

KEN MASON'S COLUMN:

Premier Manning remains strictly silent about his plans, but the tone of the Alberta Social Credit League's 24th annual convention here last week left little doubt that an election is in the offing. From start to finish, the theme was "Get ready for a battle". Premier Manning struck the keynote himself when he warned followers to keep eyes front and look to the future instead of harping on what they did 20 years ago. The party, he said, stands "on the brink of a crucial hour".

And it seems even more clear that Social Crediters are staking their political future on the government's five-year development program. It was the topic of every cabinet minister who addressed the convention, and there were 10 separate resolutions commending the government for introducing it.

Party officials are confident Social Credit can win on the strength of the five-year program. They aren't worried about Liberal and Conservative claims that the most of the features were a straight steal from the Opposition parties. Social Credit, they say, is the only party with a definite program to offer the voters.

The convention featured the annual wrangle over the Alberta law which forbids sale of colored margarine. A Calgary constituency group proposed a resolution asking for repeal of the law, and it narrowed down to a fight between city and county delegates. The resolution was finally defeated after Agriculture Minister Halmrast warned what it might do to the farm vote.

Delegates also discussed the possibility of the government introducing a province-wide uniform salary scale for teachers and withdrawal of their right to strike, as recommended last year by the Blackstock Royal Commission.

Spirit River Constituency Group backed a resolution asking that the government implement the proposal. Education Minister Anders Aalborg pointed out that school-teachers are bitterly opposed and school trustees far from unanimous, and the resolution was defeated.

The federal cabinet decision to allow the railways a 17% freight rate increase drew a blast from Premier Manning. He said Ottawa had "sold out" provinces down the river to the god of financial orthodoxy. Speaking to the convention banquet, he pointed out that Alberta and seven other provinces had opposed granting of the increase recommended by the transport board.

The railways should get their extra revenue through federal subsidies, or the federal government could solve the problem by expanding the national credit, he said. The western provinces and the Maritimes, he said, will bear nearly 100% of the increase.

Health Minister Dr. J. Donovan Ross told the convention about government plans to extend the federal-provincial hospital insurance plan in Alberta. He hopes that within two or three years it will cover outpatient services. Final decision will depend on economic conditions. Outpatient coverage, he said, would release more active treatment beds for active cases.

(next column)

Ken Mason's Column.

Convention delegates gave the government the go-ahead on plans to study the possibility of taking over industrial taxation from the municipalities. They passed a resolution to that effect from the Social Credit group at Rocky Mountain House. Municipal Affairs Alf Hooks said industrial tax will be the first problem to be tackled by the proposed permanent advisory board on provincial-municipal relations.

Watch for Social Credit to launch a drive to gain support from the young people of the province. The convention passed a resolution urging steps be taken to form a Young Social Credit Club in every constituency by next spring.

The Alberta government has won its campaign to have Ottawa widen the program of aid for municipal winter works projects. Work was received last week that the program will include gravel crushing, hauling and stockpiling, brush cutting and bridge building.

Within these categories, Ottawa will pay 50% of the labor cost involved in any project which wouldn't ordinarily be done during the winter. As originally proposed, it covered only sidewalk, road and sewer work, but the province pointed out that these were nearly impossible in view of the western winter climate.

GRAVEL TRUCK REGISTRATION.

Gordon E. Taylor, Minister of Highways, today announced that starting immediately the Department of Highways would arrange for the registration of all gravel trucks in the Province. Each trucker wanting his truck placed on a day labour haul this winter is requested to register his truck immediately. Information required on the registration form is:

- (1) The name and home address and phone number of the owner of the truck.
- (2) The make and year and serial number of the truck, the P.S.V. registration license number of the truck.
- (3) The business of the trucker:
 - (a) Type of trucking.
 - (b) Last job held.
 - (c) Presently employed.
 - (d) Other business engaged in, if any.
- (4) Whether the truck is owner-operated or operated by a hired driver;
- (5) The period of registration in Alberta.

Truckers may register by mail, in which case this information should be addressed to the Department of Highways, Highways Building, Edmonton, or may register in person at the office of the District Engineer at the following points: Medicine Hat, Lethbridge, Calgary, Red Deer, Edmonton, St. Paul, Grande Prairie and Peace River. Registration in Edmonton will be taken in the Highways Building. In the case of truckers registering by mail this must be done on the form provided for this purpose and which can be obtained at the foregoing offices.

The Department is planning a rotation system of employing trucks this winter based on approximate equivalent earnings established for (continued inside)

TRAFFIC BOARD OFFICER TO ADDRESS
DRAYTON VALLEY LIONS.

On December 16, Inspector H.J. Murdock, of the Highway Traffic Board, safety division, will give a talk and show movies at the meeting of Drayton Valley Lions Club, in their regular evening meeting in the Cardium Room. In the afternoon of the 16th, Mr. Murdock will present the show to students at the school, from grade seven on up.

Tips are given to Christmas Shoppers by Police Departments, the title of the booklet is "Help the Police to Help You". First tip is "When you leave your car, secure it methodically". Listed as tips for shopping motorists is the following:

1. Remove the ignition key.
2. Close all windows.
3. Remove all articles of value and lock them in the trunk compartment.
4. Lock all doors.

AND DON'T FORGET THIS TIP:: THIS IS SAFE DRIVING (and Walking) WEEK. BE SURE TO DRIVE SAFELY ON ICEY STREETS. TAKE NO NECESSARY CHANCES.

WITNESSES TO CONVENTION IN EDSON.

About 24 of Jehovah's Witnesses from Drayton Valley will attend a three day convention in Edson on December 12, 13 and 14 in the town hall.

Mr. Ralph Wikander, presiding minister of local group, is making the announcement that all meeting would be open to the public and would commence Friday evening at 8. The climax Sunday afternoon will be the formative public talk, "The Watch Tower Society in God's Purpose" given by Mr. V.S. Worth, traveling representative of the society. Delegates are expected from all the newly formed circuit which includes congregations in Drayton Valley, Evansburg towns westward to Edson.

Mr. Wikander said the convention, first area, would aid Jehovah's Witnesses to further training in their ministry.

DRAYTON VALLEY NEWS.

Mr and Mrs Ron Weston and daughter Jacqueline of Dawson Creek were renewing acquaintances in Drayton Valley last week end. Ron is with Hughes Tool and both were former residents here.

Mr Robinick has joined the staff of Drayton Valley Motors recently, a well known mechanic is hauling from Redwater. Mrs Robinick on the teaching staff here.

To Vern and Ethel Bradford was born Patricia Lou. The daughter was born in Drayton Valley Hospital.

WEDDING ANNIVERSARY CELEBRATED.

Mr and Mrs George Comeau, of Lodgepole celebrated their fifteenth wedding anniversary with a reception held in Caroline Comeau. Comeau has worked for Brinkerhoff for a number of years and recently went to work for Northern Natural Gas, so Brinkerhoff employees also staged a farewell party for them. Many from Lodgepole attended the party, out of town guests included Mr and Mrs Henry Jagnier, of Riviere Que Barry, Roy and Adrienne Como of Riviere and Mrs Mrs Ged Nedeau, of Picardville.

FROM THE TOWN MANAGER'S NOTEBOOK.

At December 31, 1956 total miles of streets and lanes within the town limits were 5.1 miles. By October 31, 1958 these had been increased to 17 1/2 miles.

These figures give some indication of the astounding growth of the Town of Drayton Valley. All along the line increases have been over 65% in the less than two years since the close of 1956.

(To be continued)

RELATED COLD WEATHER.

Although cold weather has finally caught up with us, we really can't complain too much in view of weather in other sections of the West. The Martin boys called their home in Saskatchewan the other Friday night when it was raining here. The weather in Saskatchewan at that time: 20 below zero.

HERE AND THERE.

The Hospital Christmas Party, on December 17 in the Cardium Room will synopate to the music of the Valley Rhythms boys, who will donate the music for the occasion. The band are all local boys composed of Ches Wolden, Dean McKay, Ray Tomlinson and Peter Hapon. Don "Bubbles" Greighton is M.C. and general manager for the group.

Mr and Mrs Cecil Jarvis became the parents of a tiny girl, (at the time of writing not-yet-named) at the Drayton Valley Hospital on November 30th.

Rex Burrows was among those who saw the Grey Cup game at first hand in Vancouver last Saturday. Rex won the trip to the West Coast from the large volume of business he has done in the T.V. line in Drayton Valley. Wilson Electric Co. wholesalers of T.V.s' sent him west via T.C.A. and brought him back again on Monday to sell more T.V. sets in this area ready for next year's Grey Cup game.

The Grey Cup game was also good to the following lucky individuals: Len Goldwell, Jim Glenesk, Bill Thompson and Ye.Sd.

By the way, pay no heed to any exhortations from other columnists as to the possibility of Christmas loans from this poor scribe. Our banker has advised us that the economic outlook is not too bright, and has advised us to hold on tight to our money.

A tight monopoly was broken a while back when a girl came to the home of Lloyd and Eunice Swap, of Rocky Rapids. On adjoining quarters, just west of Rocky Rapids, at the home of the Camerons, Reicherts and Swaps, before the arrival of wee Jacqueline Elizabeth Anne Swap, there were ten (10) boys and nary a girl. Congratulations to Lloyd and Eunice for being the first to break the chain.

Manny Man Who Returned, (to D.V. from the Swan Hill job that include such stalwarts as Jack Wogan, office manager, Jack Bell, cost accountant, etc. Peter Mittertriner ett. back. A new arrival is Sidney Wardle. Also a returnee is Otto Itterman, warehouseman. All returnees are unanimous in saying they wouldn't live anywhere else but D.V. (unless

After a perfect night's sleep - thanks to the wonderful, weightless warmth of your electric blanket! Even the thought of having to face that big pile of family laundry isn't frightening, when you know your electric washer will treat your clothes so gently - yet clean so thoroughly . . . and when you can "dial your own sunshine" with an automatic electric dryer. Your automatic electric range, too, awaits your bidding and goes to work - without constant supervision - to cook your meals on time!

All your days will start - and end - the right way . . . when you use modern electric appliances for Better, Easier Living.

See your appliance dealer today. His showroom is a Fashion Centre of Modern Electrical Living!

And remember, when you give ELECTRICALLY . . . you give for Today - and Many Tomorrows!

HELPING TO BUILD A BETTER ALBERTA

GRAVEL TRUCK REGISTRATION (continued)
the winter stockpiling that is being undertaken on a day labour basis. In order to initiate this program it will be necessary to register
(continued)

Rev. Richard Schaeck, former pastor of the Drayton Valley Church of God is now engaged in deputation work for his church group.

TRUCK REGISTRATION. (cont.)

all trucks. Trucks will then be dispatched from Edmonton to specific jobs. An endeavor will be made to place trucks as close as possible to their homes but the local labor clause will not be followed this winter. As soon as a truck earns a gross amount of, say, \$1,000.00, or whatever minimum figure is arrived at after registrations close, a trucker will be laid off and another trucker employed.

This method will avoid the necessity of truckers chasing from one place to another in search of work and while it will not guarantee work for every trucker it will make it possible for a large majority of truckers to at least earn a reasonable amount of money during the winter. In setting the minimum earning figure consideration will be given to the number of trucks registering.

The Department of Highways estimates that the haul cost of stockpiling gravel this winter will approximate \$1,500,000.00. The Provincial Government is providing over a million and a half dollars for this required work and this plan should do much to stabilize the dump truck industry, "the Minister of Highways continued.

RECREATION BOARD MEETINGS.

The Recreation Board held their meeting in the Calgary Power Office on November 30th with members of the Curling Club present.

Adrian Meier presided over the meeting due to the resignation of Kelly Flynn. Howard Pickup was elected Chairman. Bill Johannesson and Peter Nebo were elected to serve on a Rinks Committee.

The Lions have done an excellent job of erecting the Hockey Rink and plans to have the Skating Rink in operation are being looked into. It should be pointed out that the facilities of the rink are available to the General Public.

The next meeting will be held in the Council Chambers on December 3rd, at 8:30 p.m.

RAT OUTBREAK CONTROLLED.

Pest officers report that the outbreak of rats in the Lodgepole area has been wiped out. The rats had come into the area in shipments of drilling equipment from eastern Canada.

THE PEMBINA NEWS ADVERTISER

DECEMBER 11, 1958

Vol. 3. No. 49. L. Playford, Editor.
Box 120. Drayton Valley, Alberta.

MERCHANT DONATES BUILDINGS FOR SKATING RINKS.

DALES SHOPPING CENTRE will donate building materials for two 8 by 12' clubhouses for the skating rinks.

One of the buildings will be donated to the new Hockey Rink the Lions erected; one of the buildings will go to the Rotarians' Kiddie and adult rink at Kiddies Park.

Materials for these two club-houses for the rinks will be given with the understanding that members of the two service clubs and other interested parties will volunteer to build them.

RECREATION BOARD WRITES OPEN LETTER TO DISTRICT.

"Your Recreation Board takes great pleasure in informing all skaters of Drayton Valley and district that on and after Saturday, December 13, the Skating Rink will be open for skating.

You may purchase your skating tickets from the following places:

Town Office. H.O. Williamson Store
Valley Drug Ltd. Pembina News Advertiser.

FAMILY TICKETS are: \$3.00 for the season.
INDIVIDUAL TICKETS are: \$1.50 for season.

A full time caretaker will be in charge of the Skating Rink and supervision will be supplied by Recreational Directors during certain periods of the week.

Schedules of skating regulations will be hung in dressing rooms. Facilities are also being prepared to provide music for skating."

HOCKEY RINK TO BE IN USE SOON.

Drayton Valley's Hockey Rink, erected by the Lions Club of Drayton Valley with a lot of wonderful help from other civic minded groups and individuals will be in full use soon. Final flooding will soon be completed, and the ice will be in first class shape. Some practice hockey has already been played on the rink and two hockey clubs have been organized, the Senior Hockey Club and the Junior Hockey Club.

The Junior Hockey Club is made up of those in High School and the Senior is made up of those who are above high school age.

President of the Senior Club is Morley Suiter,

HOCKEY RINK (continued)

employed with Jones and Laughlin Oilfield Supply Co. Fred Parnall is secretary-treasurer for the club and there are five representatives from each of the five teams who are members of the club.

Representing the Supply Houses is Bill McLellan; Pan American Petroleum Corp. is represented by Orie Mandryk; For Mobil Oil Co. Larry Edgar will be the representative. Wayne McLaren will represent Servicing and Johnnie Poloway will be the representative for Pembina Pipe Line Ltd. The Senior Hockey Club was formed at a meeting the end of November. As soon as it is known for certain when the ice will be ready for regular use schedules will be made up and will be printed in the paper.

Representatives for the Lions Club on the Senior Hockey Club are John Moody, Bert Demers and Peter Hebo. These three represent the Lions Club in the construction of the rink.

Flooding of the rink has been done by members of Drayton Valley Fire Brigade, Mobil Oil Co. and Supply Houses, of Drayton Valley. Among those who have given time on the construction of the light standards and other metal sections of the rink are John Kuchnak, welder for Western Rigging, Gene Rendleth, welder for Albert Larson, welder. Help on the lighting has been given by employees of Calgary Power.

On the construction of the rink McGulder Construction, under the supervision of Bert Demers, has supplied valuable help. Various other companies and individuals in the area have donated materials or labor to the rink.

The finished product will be an addition to the town and district of which all may be proud, and which will serve a very useful recreational purpose here.

GURLING RINK HAS ARTIFICIAL ICE.

Preliminary curling got underway in Drayton Valley's huge five sheet rink on Wednesday evening, December 10. Rinks are to be picked on Thursday night, December 11 and the first Bonspiel of the season will be held this week.

Five miles of plastic piping has been installed by Canadian Ice Machine Co. of Edmonton, to provide artificial ice. Water flowing through the pipes comes through a brine cooling system, composed of calcium chloride and water. The refrigerating system has been installed in a building which has been erected against the rink, on the south side of the building.
